### **Presidents Report:**

Belinda expressed her gratitude of the work carried out by last year's committee. Due to the "pitching in" of all the committee we were able to hold more competitions and even branched out into more jumping events. By holding these competitions we have attracted more young riders (which seems to be the focus of EFA) and have also come to the stage where Cooma competitions will have to be limited in their numbers due to the popularity of the ground with Canberra riders. Hopefully the coming season will progress along these same lines with everyone working just as well as we have in the past.

*Belinda Mackintosh*

### **Treasurers Report:**

Balances for the previous season have gained approx. a \$2000 profit. Although we have not gained as much this year in memberships we have received additional funds through entry fees because of the added competitions held.

Although our jumping comps broke even and we are still working out fees to cover costs in the future, entries for dressage and combined training have been increased.

The club still has a number of gifts (bottles of wine), ribbons etc so that we are starting the new season with a healthy bank balance.

Total Income \$15 993

Outstanding \$ nil

Total Expenditure \$13 418

Surplus \$ 2 576

*Bridget McCosker*
